Enrolment Procedure

Starting from 14 May 2018 (during the After-School Activities Information Evening) parents can pre-enrol their children for next year's after-school activities. (Note: the registration will only be finalised upon receipt of the fee payment).

Once the pre-enrolments are collected, the school will establish provisional lists, pending final schedule adjustments.

Please consider that for language activities, OTR school's teachers will evaluate whether the child is ready for an additional/foreign language.

Please keep in mind that the activities will not begin if the minimum number of participants is not reached. The parents will be informed if this happens.

Once the schedules have been finalised, the OTR school will send an e-mail to the parents to confirm or not the pre-registration and to inform them about the terms of payments.

Once the payment is received (payment must be made by bank transfer), the enrolment will be confirmed by e-mail.

Parents who will pre-enrol their children during the After-School Activities Information Evening (14 May 2018) will have priority.

If the maximum number of participants is reached, we will establish a stand-by list for the course. If a place then becomes available or if the OTR School decides to organise a second course, the children on the waiting list will have priority.

Parents can also register their children for such courses at any time during the year, provided spaces are available. The school will post the after-school activities list on its website and indicate any open places as well as set out the relevant enrolment procedure.

PROGRAM OF THE COURSE

NEW Art and Crafts Club with ST*ART (www.st-art.lu)

A new club focusing on art and crafts, enabling students to express themselves and let their imaginations explore colors, design and creativity in a warm and nurturing environment, while having fun at the same time.

Students will work with a variety of media such as pencil, pastels, charcoal, paint etc., to develop their skills in fine art. They will work on different projects to create beautiful art pieces to keep.

*"St*Art classes for kids are all about creativity!*

I know that it's important to encourage creativity and a sense of exploration in children of all ages, which is why my classes are designed with uninhibited youngsters in mind.

My classes focus on learning colors, basic color mixing, shape recognition, creating patterns, and developing fine motor skills. I also work on providing a comfortable, fun environment for tiny artists to develop confidence and a positive attitude toward their art."

TEACHER

My name is Lorena Flores. I'm a graphic designer and multidisciplinary artist. As an experienced and passionate Arts & Crafts Instructor, I believe in an approach that gives kids positive, constructive ways to learn. I design my lessons according to my students' needs, with an emphasis on confidence-boosting activities.

I'm here to help make a positive difference, to inspire imaginations and nurture creativity. I believe the greatness is already within each and everyone of us. Sometimes it just needs a little love and recognition to really let it shine.

"I like to inspire kids and nurture the creative talents in them.

My wish is to plant a seed keeping future generations thinking creatively."

TEACHER

Shiva Kavianpars a commencé l'apprentissage de la musique en prenant des cours de piano à 6 ans. Elle a très vite changé d'instrument et choisi le violon, qui reste aujourd'hui son instrument de prédilection. De par sa passion pour cet instrument elle a très vite progressé au-delà des attentes de ses professeurs. La jeune violoniste très vite été conviée à rejoindre de grands orchestres pour y prendre la place de soliste. Elle est aussi passionnée par l'harmonie et la composition musicale qui sont deux sujets qu'elle maîtrise et pratique régulièrement. Elle a ainsi fait des études de musique et particulièrement un master sur l'enseignement et la pédagogie du violon pour les enfants en bas âge. En parallèle, elle a joué dans différents orchestre de plusieurs pays en tant que violoniste.
